

Access Switch RGES210G

Overview

The Ruijie Reyee RG-ES210GS-P 8-Port Smart Cloud Managed GbE PoE+ Access Switch features nine (9) Gigabit ports with eight (8) PoE+ ports for powering connected devices, and an additional uplink RJ45/SFP combo port for versatile connectivity. ES200 adopts a light-weighted Cloud management design, providing faster response to support richer features. Network stays connected when network loop happens. Tips: Product information and performance will be affected by upgrade iteration, specific environment and other factors, so FAQ content is. The RG-ES210GS-P switch provides 10 × 10/100/1000Base-T ports (port 10 is a GE combo port.) on the front panel, and a DC power input port for 54V PoE injector on the back panel. This manual contains notices you have to observe in order to ensure your personal safety, as well as to prevent damage to property. (Read more) Next day delivery available.
