

Dongya Optical Module Manufacturing

Overview

We specialize in producing and processing optical components, designing and manufacturing optical equipment, and the R&D of diversified optical lenses. Founded in February of 1999, our company is staffed by more than 650 personnel of which are 70 engineering technicians. is a Hong Kong invested joint venture enterprise. located?

What is Dongya Optical (Xinyang) Co. started?

What year. General business items are Domestic Trade, Import and export of goods and technology, The licensing program is optics Research and development of electronic and optoelectronic integrated products production and sales All the cities in China: 368; Number of Companies: We are only considering. This section provides a list of the top 10 Optical Module manufacturers, Website links, company profile, locations is provided for each company. Also provides a detailed product description of the Optical Module, including product introduction, history, purpose, principle, characteristics, types. First please allow me to introduce myself, I am Larry from Changchun JangJie Precision Optics Co. We can manufacture precision optical components like Spherical lenses, Cylindrical lenses, Prisms, Reflectors, Mirrors, Filters, Windows with variety of optical crystal material. Jilin Dongya Optical Group is a comprehensive enterprise that design, research & make all relating to optical, mechanical & electronic. It is located in Changchun City, Jilin Province, Chinese optical base, who has the peculiar advantage of designing & researching. Ever since founded in 1999, it.

Article Content

Conversion Lens Manufacturer, Optical Lens, Cctv Lens Supplier

We are the manufactory for optical lens from China. Our product used at CCTV camera, Security Surveillance, Mobile, PC camera, Automotive etc... And we promise that provide competitive price

Shenzhen Dongya Optical Co., Ltd

Country:China, Founding date:2017-05-17, Legal representative: Hou Zhijun, Registered capital:10000000RMB, Industry: Chemical raw materials and chemical products manufacturing

Top 10 Optical module manufacturers in the World 2025

When selecting an optical module manufacturer, consider factors like product quality, reliability, certifications, and customer support. Research their reputation in the industry and look for reviews or

Top 10 Optical module manufacturers in the World 2025

Are you curious about which optical module manufacturers stand out in today's competitive market? Understanding the top factories is crucial for making informed decisions. By knowing the best

Jilin dongya Optics Co., Ltd. Supplier from China

Supplier: Gemstone, semi precious stone, natural stone, gemstone beads, gemstone tumble, agate stone, semi precious stone slab, quartz lumps, quartz grain, quartz powder, pebbles, cobbles, and

Dongya Optics Co.,Ltd,Camera Accessories,China

Company Introduction Dongya Optics Co., Ltd is all all-around enterprise undertakes desin and process of the optical components, manufacturing the optical lens, as well as all different kinds of conversion

Top 10 Optical Module Brand & Manufacturers

This section provides a list of the top 10 Optical Module manufacturers, Website links, company profile, locations is provided for each company. Also provides a detailed product description of the Optical

Company Profile

Zhejiang Dongya Electronic Co., Ltd. was established in 1984, with registered capital of USD 1,482,353. Our company is specialized in manufacturing, developing and selling all kinds DC contactors, relays,

DongYa Opitcal Co., Ltd,China

Jilin Dongya Optical Group is a comprehensive enterprise that design, research & make all relating to optical, mechanical & electronic. It is located in Changchun City, Jilin Province, Chinese optical base,

Top 10 Optical Module Brand & Manufacturers

Operating and using optical modules correctly may require some technical knowledge, and the manufacturer should offer resources such as user manuals, online tutorials, and customer support to

Dongying firm leads solar module manufacturing

As a leading manufacturer of solar modules, Dongying Dahai Kelin Optoelectronics has consistently innovated to meet the diverse needs of its global clients. Its unwavering commitment to

Optical Module Design, Manufacture from Taiwan Young Optics ...

The optical module is a key element used in systems for transmitting optical signals over optical fibers. Since establishment, Young Optics continuously studies optics-related technologies and knowledge.

Optical Module PCB: The Ultimate Guide to Design, Fabrication, and ...

This guide serves as an in-depth resource for engineers, designers, and project managers involved in the development of optical module PCBs. It will explore the complete product lifecycle, from design

Changchun Dongya Optical Co., Ltd.->Profile

Jilin Dongya Optical Co., Ltd. is a Hong Kong invested joint venture enterprise. We specialize in producing and processing optical components, designing and manufacturing optical equipment, and

Suzhou New District Dongya Optical Components Factory

Find company research, competitor information, contact details & financial data for Suzhou New District Dongya Optical Components Factory of Suzhou, Jiangsu. Get the latest business insights from Dun

Jilin Dongya Optical Co., Ltd., China, Consumer Electronics

We can manufacture precision optical components like Spherical lenses, Cylindrical lenses, Prisms, Reflectors, Mirrors, Filters, Windows with variety of optical crystal material (BK7□Quartz□CaF2 etc.).

Dongya Optical (Xinyang) Co., Ltd.

Find company research, competitor information, contact details & financial data for Dongya Optical (Xinyang) Co., Ltd. of Xinyang, Henan. Get the latest business insights from Dun & Bradstreet.

Changchun Dongya Optical Co., Ltd.->Profile

We specialize in producing and processing optical components, designing and manufacturing optical equipment, and the R& D of diversified optical lenses. Founded in February of 1999, our company is
