

How much does tailoring cost

Overview

Tailoring costs \$10 to \$50 on average for simple alterations and \$50 to \$250 for more complex work. But really, the sky's the limit, especially with complex clothing like a suit. For trousers, alterations are fairly cheap: For a skirt, it's slightly more expensive: Tailoring cost typically ranges from £7 to £120, depending on the garment and complexity of the alteration. Simple fixes like hemming trousers or taking in a shirt are more affordable than altering suits or bridal gowns. All prices are subject to The Seam's 20% service fee. For a personalised quote, click [here](#) to start your booking. They are highly subjective and can vary wildly based on many factors including (but not limited to) average city living costs, city storefront rental rates/taxes, tailor skill level/experience, competition from other tailoring shops, and. Asking how much it costs to get clothes altered is a great question, and the short answer is: it really depends! Prices for tailor services change a lot. That's why it's important to.
